Unique Benefits of Advertising on Oil Sands InfoMine

- Oil Sands InfoMine is the leading provider of oil sands knowledge worldwide.
- Most basic listings are free – however, you can **stand out from the crowd** by being featured or with banner advertising.
- **Direct Exposure to a Large, Focused Audience**
Our audience – and your target market - are professionals actively involved in oil sands exploration and production worldwide.
- **250,000 Page Views per Month**
Thousands of unique users visit us every month, searching for information on **your company and your industry**.
- **We are Run by Industry People**
We know the oil sands industry. We know how to present your company or product most effectively to the worldwide market.
- **We are an Information Site - Not Simply a Promotional Site**
If your company is involved in oil sands, Oil Sands InfoMine already contains information on it. Why not complement this information with your own advertising?
- **We Have a Long and Reliable Track Record**
InfoMine has been in the resource information business since 1989, and on the web since 1994.
- **Low Cost**
Compare our rates and extensive industry reach with the competition, both hard copy and online, you'll be surprised of how cost-effective we are!
