

*Career Investigation Questionnaire – Civil Engineering Technology*

Name: \_\_\_\_\_ SAIT ID number: \_\_\_\_\_  
 (If known)

Applying for fall or winter: \_\_\_\_\_ Phone number: \_\_\_\_\_

1.	How did you hear about the Civil Engineering Technology program at SAIT?	<i>Website</i>	<i>Academic Calendar</i>	<i>Employers or through job search</i>	<i>Word of mouth</i>	<i>Other</i>
2.	Please explain your interest in applying to the Civil Engineering Technology program at SAIT.					
3.	What knowledge or experience do you have in this area? Please include any career research, Student for a Day visits, construction industry, work experience, personal interest, etc.					
4.	Which major /option are you thinking of choosing in second year? And why?					
5.	I am familiar with transcript and tuition deadlines <a href="http://www.sait.ca/academicalendar">www.sait.ca/academicalendar</a>	Yes	No			

6.	<i>High school/Upgrading students:</i> I have read the conditions associated with self-declared grades and realize I must provide a final transcript verifying these grades by the deadline. <a href="http://www.sait.ca/academiccalendar">www.sait.ca/academiccalendar</a>		Yes	No	
	In this section, please rate the following statements:	<i>Strongly agree</i>	<i>Somewhat agree</i>	<i>Somewhat disagree</i>	<i>Strongly disagree</i>
7.	I am aware of the different aspects of civil engineering in which a technologist works	1	2	3	4
8.	I am interested in working in office environments and construction sites	1	2	3	4
9.	I work well independently	1	2	3	4
10.	I have strong mathematical and science skills (physics in particular)	1	2	3	4
11.	I am familiar with engineering drawings	1	2	3	4
12.	I enjoy taking a methodical approach to work	1	2	3	4
13.	I have good oral and written communication skills	1	2	3	4
14.	I like finding innovative solutions to problems	1	2	3	4
15.	I am familiar with ASET ( <a href="#">Association of Science and Engineering Technology Professionals of Alberta</a> ) certification	1	2	3	4

*Additional comments about your interest in the program are encouraged.*
