

*Process Piping Drafting (PPD), Fast Track Certificate
Selection Process 2012 – 2013*

***Note Step 2:** Student Services will inform applicants via mailed letter whether the application has been successfully processed or not. If your application contains missing documents (i.e. academic transcripts, self-declared grade of application fee), you will not advance in the program's selection process. If you are unsure, please contact [Student Services](#) to prevent any delays in your application.

***Note Step 3:** At any point (even in advance of application), prospective students may complete and submit the 'Career Investigation Form' found [here](#) under 'Additional Resources'.

***Note Step 4:** Offers are made to the highest selection scores for each intake.

At any step of this process, you may also visit www.mysait.ca to view your application status.
