

ADMISSION REQUIREMENTS

Many options to help you on your way to a great career.

Program	Program Length	Selection Applicable	F/W/S/M Start	Admission Requirements	Transfer options Graduates may be eligible for credit at the following post secondary institutions
Academic Upgrading	4, 8 or 12 months		F/W/S	At least 50% in English Language Arts 10-1 or 10-2, and Pure Math 10 or Applied Math 10, or successful completion of SAIT's math placement test. Students will be required to complete testing in relevant subject areas if transcripts are not current or available.	Contact institution of choice for possible options.
Accounting Oil and Gas Production	8 months	■	F	Alberta High School Diploma or post-secondary education or equivalent.	Contact institution of choice for possible options.
Administrative Information Management	2 years	■	F	Alberta High School Diploma or equivalent with at least 50% in the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2.	Athabasca University Royal Roads University University of Calgary University of Lethbridge University of New Brunswick, Saint John
Aircraft Maintenance Engineers Technology	2 years	■	F/W	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, and Pure Math 30, Applied Math 30 or Math 31.	Athabasca University British Columbia Institute of Technology Griffith University NAIT Thompson Rivers University University of Calgary University of Lethbridge University of New Brunswick, Saint John
Aircraft Structures Technician	1 year	■	F	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, and Pure Math 20 or Applied Math 20.	Contact institution of choice for possible options.
Architectural Technologies	2 years	■	F/W	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, and Pure Math 30, Applied Math 30 or Math 31, and a Grade 12 Science.	Athabasca University NAIT Thompson Rivers University University of Calgary University of Lethbridge University of New Brunswick, Saint John
Automated Systems Engineering Technology	2 years		F	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, and Pure Math 30.	British Columbia Institute of Technology Camosun College Cape Breton University Lakehead University NAIT SAIT Polytechnic Thompson Rivers University University of Calgary University of Lethbridge University of New Brunswick, Saint John University of Victoria
Automotive Service Technology	2 years	■	F	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, Pure Math 20 or Applied Math 20, and a Grade 11 Science.	British Columbia Institute of Technology Montana State University, Northern Havre SAIT Polytechnic Thompson Rivers University University of Calgary University of Lethbridge University of New Brunswick, Saint John
Avionics Technology	2 years	■	F	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, and Pure Math 30, Applied Math 30, or Math 31.	Athabasca University British Columbia Institute of Technology Griffith University NAIT Thompson Rivers University University of Calgary University of Lethbridge University of New Brunswick, Saint John

Program	Program Length	Selection Applicable	F/W/S/M Start	Admission Requirements	Transfer options Graduates may be eligible for credit at the following post secondary institutions
Bachelor of Applied Business Administration	2 years	■	F/W	Applicants must have completed a two-year Business Administration or Accounting diploma or equivalent at an accredited post-secondary institution, with a minimum 2.3 grade-point average (65% or C+). This diploma must include a minimum of 20 courses, or 60 credits, and contain the following coursework: Intermediate Accounting, Business Communications, Financial Management, Management Accounting, Systems, and Marketing.	Griffith University
Bachelor of Applied Technology Geographic Information Systems	2 years	■	F/W	A two-year diploma from a recognized Canadian college, technical institute or equivalent, or successful completion of two years at a recognized post-secondary academic institution.	University of Calgary
Bachelor of Applied Technology Information Systems	2 years	■	F	Applicants must have a SAIT diploma, or a relevant equivalent (contact the School of Information and Communications Technologies for equivalent credits from other institutions).	Athabasca University Griffith University Thompson Rivers University University of Alberta University of British Columbia
Bachelor of Applied Technology Petroleum Engineering	2 years	■	F/W	A two-year SAIT diploma in Petroleum Engineering Technology, Chemical Engineering Technology, Mechanical Engineering Technology, Instrumentation Engineering Technology, Civil Engineering Technology, Electrical Engineering Technology, or similar engineering technology, with a grade point average of 2.5 or better is required. University graduates holding relevant science (mathematics, physics, chemistry, geology, or geophysics) or engineering degrees may be accepted; but additional courses may be required before starting the program. If degree was achieved outside of Canada, proof of International Qualification Assessment Services (IQAS) or World Education Services (WES) is required. Applicants with other qualifications will be considered upon submission of certified background information.	Athabasca University Griffith University
Bachelor of Business Administration (Accounting)	4 years	■	F	Alberta High School Diploma or equivalent with a least 70% in each of the following courses or their equivalents: English Language Arts 30-1, Pure Math 30, two courses from Group A, and one course from Group A or B: Group A: Biology 30, Chemistry 30, Mathematics 31, Language 30, Physics 30, Science 30, or Social Studies 30-1. Group B: Art 30 or 31, Drama 30, Music 30 (choral, instrumental, general), Physical Education 30, Religion 35, Social Studies 30-2, or other five-credit grade 12 subjects or a combination of two three-credit grade 12 subjects, or five credits of advanced career and technology courses.	
Baking and Pastry Arts	2 years	■	F	At least 50% in the following courses or their equivalents: English Language Arts 10-1 or English Language Arts 10-2, and Pure Math 10 or Applied Math 10.	University of Calgary University of Lethbridge University of New Brunswick, Saint John
Broadcast Systems Technology	2 years	■	F	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, and 50% in Pure Math 30 or 65% in Applied Math 30, and a minimum 20-level science (excludes Science 24 and 26).	British Columbia Institute of Technology NAIT SAIT Polytechnic Thompson Rivers University University of Calgary University of Lethbridge University of New Brunswick, Saint John

Program	Program Length	Selection Applicable	F/W/S/M Start	Admission Requirements	Transfer options Graduates may be eligible for credit at the following post secondary institutions
Business Administration	2 years		F/W	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 and Pure Math 30, or 60% in English Language Arts 30-2 and Applied Math 30.	Athabasca University Griffith University Royal Roads University SAIT Polytechnic Thompson Rivers University University of British Columbia, Okanagan University of Calgary University of Lethbridge University of New Brunswick, Saint John
Business Administration – Automotive Management	2 years		F	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, and Pure Math 30, Applied Math 30 or Math 31.	Athabasca University Georgian College of Applied Arts and Technology Northwood University University of Calgary University of Lethbridge University of New Brunswick, Saint John
Business Intelligence: Data Analysis and Reporting	16 weeks	■	S	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, and Pure Math 30 or Applied Math 30.	Contact institution of choice for possible options.
Chemical Engineering Technology	2 years	■	F	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, Pure Math 30 or Math 31, Chemistry 30, and either Physics 20 or Science 30.	Athabasca University British Columbia Institute of Technology Cape Breton University Griffith University Lakehead University Memorial University NAIT Royal Roads University SAIT Polytechnic Thompson Rivers University University of Alberta University of Calgary University of Lethbridge University of New Brunswick, Saint John
Chemical Laboratory Technology	2 years	■	F	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, Pure Math 30 or Math 31, and Chemistry 30.	Athabasca University British Columbia Institute of Technology Cape Breton University Memorial University NAIT Royal Roads University Thompson Rivers University University of Calgary University of Lethbridge University of New Brunswick, Saint John
Civil Engineering Technology	2 years	■	F/W	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, Pure Math 30 or Math 31, and either Physics 20 or Science 30.	Athabasca University British Columbia Institute of Technology Camosun College Cape Breton University Griffith University Lakehead University Memorial University NAIT SAIT Polytechnic Thompson Rivers University University of Alberta University of British Columbia University of Calgary University of Lethbridge University of New Brunswick
Database Administrator	32 weeks	■	F/W	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, Pure Math 30, Applied Math 30 or Math 31, and an introductory programming course (available through SAIT Continuing Education).	Contact institution of choice for possible options.

Program	Program Length	Selection Applicable	F/W/S/M Start	Admission Requirements	Transfer options Graduates may be eligible for credit at the following post secondary institutions
Dental Assisting	10 months		F	Alberta High School Diploma or equivalent with an overall average of 60% in the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, and Pure Math 30, Applied Math 30 or Math 31, and Biology 30, and Chemistry 30.	Contact institution of choice for possible options.
Diagnostic Medical Sonography	28 months	■	F	Alberta High School Diploma or equivalent with at least 60% in each of the following courses or their equivalents: English Language Arts 30-1, Pure Math 30, Applied Math 30 or Math 31, Biology 30, Physics 30, and Chemistry 20.	Athabasca University Memorial University NAIT Thompson Rivers University University of Calgary University of Lethbridge University of New Brunswick, Saint John University of Ontario Institute of Technology
Diesel Equipment Technician	8 months	■	F	A minimum of 70 Alberta High School credits (Grade 11) with at least 50% in each of the following courses or their equivalents: Grade 11 English, Pure Math 20 or Applied Math 20, and a Grade 11 Science.	SAIT Polytechnic
Digital Graphics Communications	2 years	■	F	Alberta High School Diploma or equivalent with at least 50% in the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2.	Mount Royal University Royal Roads University SAIT Polytechnic University of Calgary University of Lethbridge University of New Brunswick, Saint John
Electrical Engineering Technology	2 years	■	F	Alberta High School Diploma or equivalent with at least 60% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, Pure Math 30, and Physics 20.	Athabasca University British Columbia Institute of Technology Camosun College Cape Breton University Lakehead University Memorial University NAIT SAIT Polytechnic Thompson Rivers University University of Alberta University of Calgary University of Lethbridge University of New Brunswick, Saint John University of Victoria
Electronics Engineering Technology	2 years		F	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, Pure Math 30, and a minimum 20-level science (Physics preferred and excludes Science 24 and 26).	Athabasca University British Columbia Institute of Technology Camosun College Cape Breton University Memorial University NAIT SAIT Polytechnic Thompson Rivers University University of Alberta University of Calgary University of Lethbridge University of New Brunswick, Saint John, University of Victoria
Emergency Medical Responder Register through Continuing Education	12 weeks		M	Proof of current Level C CPR (taken within previous year of Emergency Medical Responder program start) and Standard First Aid (SFA) certification at the first lab day (Orientation).	SAIT Polytechnic

Program	Program Length	Selection Applicable	F/W/S/M Start	Admission Requirements	Transfer options Graduates may be eligible for credit at the following post secondary institutions
Emergency Medical Technician	10 months	■	F	<p>Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, Pure Math 20 or Applied Math 20, and Biology 30 or Science 30.</p> <p>Minimum age 18 by January 1.</p> <p>Completion of an EMR program by late April (for May examination by the Alberta College of Paramedics). Proof of this admission requirement will be accepted in one of the following three ways:</p> <ol style="list-style-type: none"> 1. Copy of EMR credential and ACP registration card upon application. 2. Proof of completion of EMR program and a letter from ACP stating intent to write exam no later than April 30. 3. Proof of registration in an EMR program with completion date no later than April. <p>(For more information regarding SAIT's EMR program, please refer to SAIT's Continuing Education Calendar.)</p>	SAIT Polytechnic
Emergency Medical Technology – Paramedic	2 years	■	F	<p>Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, Pure Math 20 or Applied Math 20, and Biology 30 or Science 30. All applicants must be registered with the Alberta College of Paramedics (ACP) as an EMT by August 1 prior to the program commencing.</p>	<p>Athabasca University Lakeland College Medicine Hat College NAIT Thompson Rivers University University of Calgary University of Lethbridge University of New Brunswick, Saint John University of Ontario Institute of Technology</p>
Energy Asset Management	2 years		F	<p>Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, and Pure Math 30, or Applied Math 30.</p>	<p>University of Calgary University of Lethbridge University of New Brunswick, Saint John</p>
Engineering Design and Drafting Technology	2 years	■	F/W	<p>Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, Pure Math 30, and either Physics 20 or Science 30.</p>	<p>Athabasca University British Columbia Institute of Technology Memorial University NAIT Thompson Rivers University University of Alberta University of Calgary University of Lethbridge University of New Brunswick, Saint John</p>
English Language Foundations Register through the English Language Foundations (ELF) office	8 weeks (For each level)		M	<p>Intermediate level English Skills are required for admission. Placement is based on a pre-program language assessment, using the Canadian Language Benchmarks Assessments (CLBA).</p>	Contact institution of choice for possible options.
Environmental Technology	2 years	■	F	<p>Alberta High School Diploma or equivalent with at least 60% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, Pure Math 30 or Math 31, and Chemistry 30.</p>	<p>British Columbia Institute of Technology Griffith University Mount Royal University NAIT Royal Roads University Thompson Rivers University University of Alberta University of Calgary University of Lethbridge University of New Brunswick, Saint John</p>

Program	Program Length	Selection Applicable	F/W/S/M Start	Admission Requirements	Transfer options Graduates may be eligible for credit at the following post secondary institutions
Exploration Information Technology	2 years		F	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, Pure Math 30, and a minimum 20-level science (excluding Science 24 and 26).	Athabasca University British Columbia Institute of Technology Griffith University NAIT SAIT Polytechnic Thompson Rivers University University of Calgary University of Lethbridge University of New Brunswick, Saint John
Film and Video Production	2 years	■	F	Alberta High School Diploma or equivalent with at least 60% in the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2.	Athabasca University Griffith University Red Deer College Royal Roads University SAIT Polytechnic University of Calgary University of Lethbridge University of New Brunswick, Saint John
Geomatics Engineering Technology	2 years	■	F/W	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, Pure Math 30, and either Physics 20 or Science 30.	Athabasca University British Columbia Institute of Technology Memorial University NAIT SAIT Polytechnic Thompson Rivers University University of Alberta University of Calgary University of Lethbridge University of New Brunswick, Saint John
Health Information Management	2 years		F	Alberta High School Diploma or equivalent with at least 60% in the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, Biology 30, and at least 50% in Pure Math 30, Applied Math 30, or Math 31.	Thompson Rivers University University of Calgary University of Lethbridge University of New Brunswick, Saint John University of Ontario Institute of Technology
Health Information Office Assistant	5 months		F/W	Alberta High School Diploma or equivalent with at least 60% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2.	SAIT Polytechnic
Hospitality Management	2 years		F	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, and Applied Math 30 or Pure Math 20.	Capilano University Conrad N Hilton College, University of Houston Griffith University University of Calgary University of Lethbridge University of New Brunswick, Saint John University of Victoria Vancouver Community College Vancouver Island University
Information Technology	2 years	■	F	Alberta High School Diploma or equivalent with at least 60% in each of the following courses or their equivalents: English Language Arts 30-1 and Pure Math 30, or 65% in English Language Arts 30-2 and Applied Math 30.	Athabasca University British Columbia Institute of Technology Griffith University Memorial University NAIT SAIT Polytechnic Thompson Rivers University University of Calgary University of Fraser Valley University of Lethbridge University of New Brunswick, Saint John
Instrumentation Engineering Technology	2 years	■	F	Alberta High School Diploma or equivalent with at least 55% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, Pure Math 30 and both Physics 20 and Chemistry 20 (Science 30 will be accepted in place of Chemistry 20 and Physics 20).	Athabasca University British Columbia Institute of Technology Camosun College Memorial University NAIT SAIT Polytechnic Thompson Rivers University University of Alberta University of Calgary University of Lethbridge University of New Brunswick, Saint John University of Victoria

Program	Program Length	Selection Applicable	F/W/S/M Start	Admission Requirements	Transfer options Graduates may be eligible for credit at the following post secondary institutions
Journalism	2 years	■	F	Alberta High School Diploma or equivalent with at least 60% in the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2.	Athabasca University Griffith University Mount Royal University Royal Roads University SAIT Polytechnic Thompson Rivers University University of Calgary University of Lethbridge University of New Brunswick, Saint John
Legal Assistant	2 years	■	F	Alberta High School Diploma or equivalent with at least 60% in the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2.	Athabasca University Royal Roads University University of Calgary University of Lethbridge University of New Brunswick, Saint John University of Ontario Institute of Technology
Library Information Technology	2 years		F	Alberta High School Diploma or equivalent with at least 60% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2 and one of the following Grade 12 subjects: Math, Science, Social Science, Accounting, Law or a second language. For mature students, LIBR-200 (Introduction to Libraries) may be substituted for the Grade 12 subject (available via distance learning, please refer to SAIT's Continuing Education Guide).	Athabasca University British Columbia Institute of Technology SAIT Polytechnic University of Calgary University of Lethbridge University of New Brunswick, Saint John
Machinist Technician	8 months		F	A minimum of 70 Alberta High School credits or equivalent, with at least 50% in each of the following courses or their equivalents: English Language Arts 20-1 or English Language Arts 20-2, and Pure Math 20 or Applied Math 20.	Contact institution of choice for possible options.
Meat Operations and Management	5 months		F/W	A minimum of 35 Alberta High School credits with at least 50% in each of the following course or their equivalents: English Language Arts 10-1 or English Language Arts 10-2 or Humanities 10, and Pure Math 10 or Applied Math 10.	Contact institution of choice for possible options.
Mechanical Design Technology	2 years		F	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, Pure Math 30 or Math 31, and Physics 20.	Athabasca University British Columbia Institute of Technology Camosun College Cape Breton University NAIT Thompson Rivers University University of British Columbia University of Calgary University of Lethbridge University of New Brunswick, Saint John University of Victoria
Mechanical Engineering Technology	2 years	■	F	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, Pure Math 30, and Physics 20.	Athabasca University British Columbia Institute of Technology Camosun College Cape Breton University Lakehead University Memorial University NAIT SAIT Polytechnic Thompson Rivers University University of Alberta University of British Columbia University of Calgary University of Lethbridge University of New Brunswick, Saint John, University of Victoria
Medical Laboratory Assistant	5 months	■	F/W	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, Pure Math 10, Chemistry 20, and Biology 20.	SAIT Polytechnic

Program	Program Length	Selection Applicable	F/W/S/M Start	Admission Requirements	Transfer options Graduates may be eligible for credit at the following post secondary institutions
Medical Laboratory Technology	2 years	■	F	Alberta High School Diploma or equivalent with at least 60% in each of the following courses or their equivalents: English Language Arts 30-1, Pure Math 30 or Math 31, Chemistry 30 and Biology 30.	Athabasca University British Columbia Institute of Technology Memorial University NAIT Thompson Rivers University University of Alberta University of Calgary University of Lethbridge University of New Brunswick, Saint John University of Ontario Institute of Technology
Medical Radiologic Technology	2 years	■	F	Alberta High School Diploma or equivalent with at least 60% in each of the following courses or their equivalents: English Language Arts 30-1, Pure Math 30, Applied Math 30 or Math 31, and Physics 30, and one of the following: Biology 30, Chemistry 30 or Science 30 (Biology 30 is recommended).	British Columbia Institute of Technology NAIT Thomson Rivers University University of Calgary University of Lethbridge University of New Brunswick, Saint John University of Ontario Institute of Technology
Medical Transcriptionist	9 months		F	Alberta High School Diploma or equivalent with at least 60% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, and Biology 30.	SAIT Polytechnic
Network Technician	8 months	■	F	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, and Pure Math 30 or Applied Math 30 or Math 31.	SAIT Polytechnic
New Media Production and Design	2 years	■	F	Alberta High School Diploma or equivalent with at least 60% the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2.	Athabasca University Griffith University Red Deer College Royal Roads University SAIT Polytechnic University of Calgary University of Lethbridge University of New Brunswick, Saint John
Non-Destructive Testing Foundations	3 months		F	Completion of the following courses or their equivalents: Grade 10 Math and Grade 10 English.	Contact institution of choice for possible options
Nuclear Medicine Technology	2 years	■	F	Alberta High School Diploma or equivalent with a minimum of 60% in each of the following courses or their equivalents: English Language Arts 30-1, Pure Math 30 or Math 31, Chemistry 30, and Biology 30 or Physics 30, plus one of the following options: Math 31, Language 30, Physics 30, Biology 30, Social Studies 30 or Science 30.	Athabasca University British Columbia Institute of Technology Memorial University NAIT Thompson Rivers University University of Calgary University of Lethbridge University of New Brunswick, Saint John University of Ontario Institute of Technology
Nutrition for Healthy Lifestyles	10 months		F	Alberta High School Diploma or equivalent with an overall average of at least 60% in the following courses or their equivalents: English Language Arts 30-1 or 30-2, Pure or Applied Math 20, and either Chemistry 20, Science 20, Biology 30 or Physics 30.	Contact institution of choice for possible options.
Object Oriented Software Developer	8 months	■	F	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, and Pure Math 30, Applied Math 30 or Math 31.	Contact institution of choice for possible options.

Program	Program Length	Selection Applicable	F/W/S/M Start	Admission Requirements	Transfer options Graduates may be eligible for credit at the following post secondary institutions
Petroleum Engineering Technology	2 years	■	F	Alberta High School Diploma or equivalent with at least 60% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, Pure Math 30 or Math 31, Chemistry 30, and Physics 20 or Science 30.	Athabasca University British Columbia Institute of Technology Memorial University Montana Tech of the University of Montana NAIT SAIT Polytechnic Thompson Rivers University University of Alberta University of Calgary University of Lethbridge University of New Brunswick, Saint John, University of Regina University of Texas, Austin University of Wyoming
Petroleum Land Administration	4 months		F/W	Admission and selection determined by the MacPhail School of Energy.	Contact institution of choice for possible options.
Pharmacy Technician – Retail	6 months		F/W	Alberta High School Diploma or equivalent with an overall average of at least 60% in the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, and Pure Math 30, Applied Math 30, or Math 31.	NorQuest College
Power Engineering Technology	2 years	■	F	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, Pure Math 30, and Science 30 or Physics 30.	Athabasca University British Columbia Institute of Technology Memorial University NAIT SAIT Polytechnic Thompson Rivers University University of Alberta University of Calgary University of Lethbridge University of New Brunswick, Saint John
Process Operations	10 months	■	F	Alberta High School Diploma or equivalent with at least 60% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, and Applied Math 30.	Contact institution of choice for possible options.
Process Piping Drafting	10 months	■	F/S	Grade 11 English or Canadian Language Benchmarks Assessment (CLBA) Level 7, or SAIT's English Language Foundations (ELF) Level 3, and either Grade 11 Math or Grade 11 Science.	Contact institution of choice for possible options.
Professional Cooking	2 years	■	F	A minimum of 35 Alberta High School credits with at least 50% in the following courses or their equivalents: English Language Arts 10-1 or English Language Arts 10-2 or Humanities 10, and Pure Math 10 or Applied Math 10.	University of Calgary University of Lethbridge University of New Brunswick, Saint John
Radio, Television and Broadcast News	2 Years	■	F	Alberta High School Diploma or equivalent with at least 60% in the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2.	Athabasca University Griffith University Red Deer College Royal Roads University SAIT Polytechnic University of Calgary University of Lethbridge University of New Brunswick, Saint John
Railway Conductor	4 months		F/W	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: Grade 12 English, and Pure Math 20 or Applied Math 20.	Contact institution of choice for possible options.
Rehabilitation Therapy Assistant	14 months		F	Alberta High School Diploma or equivalent with an overall average of at least 60% in the following courses or their equivalents: English Language Arts 30-1, Biology 30, and Chemistry 20 or Science 20.	Athabasca University NAIT University of Calgary University of Lethbridge University of New Brunswick, Saint John

Program	Program Length	Selection Applicable	F/W/S/M Start	Admission Requirements	Transfer options Graduates may be eligible for credit at the following post secondary institutions
Respiratory Therapy	3 years	■	F	Alberta High School Diploma or equivalent with at least 60% in each of the following courses or their equivalents: English Language Arts 30-1, Pure Math 30 or Applied Math 30 or Math 31, and Chemistry 30, and Biology 30.	Athabasca University Memorial University NAIT Thompson Rivers University University of Calgary University of Lethbridge University of New Brunswick, Saint John University of Ontario Institute of Technology
Sterile Processing Technician	5 months		F/W	Alberta High School Diploma or equivalent with at least 50% in the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2.	Contact institution of choice for possible options.
Technology Infrastructure Management	8 months	■	F	An undergraduate degree or diploma from a recognized university, institute or college.	Contact institution of choice for possible options.
Travel and Tourism	2 years		F	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, and Pure Math 20 or Applied Math 20 or Math 24.	Capilano University Griffith University Thompson Rivers University University of Calgary University of Lethbridge University of New Brunswick, Saint John Vancouver Island University
Welding Engineering Technology	2 years	■	F	Alberta High School Diploma or equivalent with at least 50% in each of the following courses or their equivalents: English Language Arts 30-1 or English Language Arts 30-2, and Pure Math 30.	Athabasca University British Columbia Institute of Technology Camosun College Cape Breton University Memorial University NAIT Thompson Rivers University University of Alberta University of British Columbia University of Calgary University of Lethbridge University of New Brunswick, Saint John University of Victoria

- 1) Programs that have selection criteria are marked with a ■. You increase your chances of gaining acceptance into these programs if you apply early and have a higher academic standing than what is stated for the minimum grade for the admission requirements. For information about the selection process, please visit sait.ca.
- 2) Please note: Some programs do not have selection criteria as part of admission. However, they may have post-selection criteria that must be met prior to the start of classes, such as CPR training, security clearance, etc. Applicants who are successful in gaining admission are responsible for providing proof of the post-selection criteria prior to the program start date.
- 3) FMWS: F = Fall, M = Multiple, W = Winter, S = Spring
- 4) Programs offered and admission requirements listed above are subject to change.
- 5) For the most current Academic Calendar program information, please visit sait.ca.
- 6) English is the language of instruction in all programs at SAIT Polytechnic and is the common language for business in Alberta. An applicant to SAIT Polytechnic must meet the minimum English Language admission requirements for the program to which he or she is applying, as determined by the program. All applicants to SAIT Polytechnic must also demonstrate English Language Proficiency prior to admission, including students educated in Canada. In order to demonstrate English Language Proficiency, an applicant must have:
 - a) Completed three years of full-time instruction in the English language, with a minimum of 12 hours instruction per week; OR
 - b) Successfully completed assessment testing in one of the following:
 - International English Testing System (IELTS) with a minimum score of 6.0 in each skill category
 - Canadian Academic English Language Assessment (CAEL) with a minimum 60 Overall Band
 - Test of English as a Foreign Language (TOEFL) Internet Based (IBT) with a minimum 80 overall score, and at least 20 in each category
 - Canadian Language Benchmarks Assessment (CLBA) with a score of 8 in all sections

Please note: Tests are valid for a one year period (from date of issue).

Transfer Options

Please visit sait.ca for detailed information on transfer options or email transfer.options@sait.ca.

APPLY NOW IN FIVE SIMPLE STEPS

1. Apply early.

Seats in some SAIT Polytechnic programs are offered on a first-come, first-served basis. Other programs may have additional selection criteria you will need to complete prior to being admitted. Visit sait.ca for more information.

2. Are you qualified? Know the admission requirements.

Check pages 54 to 63 of this guide, or visit sait.ca to find out the admission requirements for each program. Most programs require a high school diploma with completion of specific subjects (e.g., English Language Arts 30-1 or 30-2).

3. Visit sait.ca to apply online.

Choose the **Apply Now** icon in the upper right corner. Online applications are only \$50.00 (you must have a VISA or MasterCard). From here you will be redirected to the ApplyAlberta (Alberta Post-Secondary Application System), the common application system in Alberta. From here, you can complete your online application.

4. Conditional Admission – what does that mean?

Applicants currently registered in Grade 12 or upgrading admission requirements can report their anticipated final grades as part of their application. You may be granted a conditional offer or selection status based on the grades reported to us.

5. Submit Official Transcripts.

You will have to provide official copies of your transcripts when applying to SAIT. If you completed high school in Alberta, your transcripts will automatically be sent to SAIT when you create your user profile with Apply Alberta. If you completed high school outside Alberta, contact the provincial department of education to find out how to obtain an official transcript.

If you have any questions, contact Student Services at 403.248.7248, 1.877.284.7248 (toll free) or email advising@sait.ca. Check us out on [facebook.com/SAITPolytechnic](https://www.facebook.com/SAITPolytechnic).

Start Date	Application Start Date	Selection Commences
<i>Fall (September – December) 2011</i>	October 22, 2010	October 22, 2010
<i>Winter (January – April) 2012</i>	August 1, 2011	August 1, 2011
<i>Spring (May – June) 2012</i>	August 1, 2011	August 1, 2011

This guide is published annually for information to the general public. Every effort is made to ensure accuracy at the time of printing. SAIT reserves the right to change information without notice, including course and program revisions or cancellations, standards of admission, or transferability to other institutions. SAIT does not accept responsibility or liability for any person who may suffer loss or who may be otherwise adversely affected by such change, however charged. The transfer options that SAIT has arranged with post-secondary schools are subject to change. Please contact the post-secondary school listed to confirm transfer option agreements.
